| READ BEFORE THE PARTY

1. Your Costume

Female | Late 20s Stylish casual: graphic tee or tank, joggers or shorts, fresh sneakers. Headphones around neck.

2. Your Props

Headphones around neck, playlist printout, DJ name tag

3. Your Character

Who You Are: Female | Late 20s | MINOR CHARACTER (Not a suspect)

You run the music and entertainment for the after-party. Headphones around your neck, playlist queued, vibes on point. You've been at the DJ booth near the pool all night — you've got a full view of the courtyard, the entrances, and who's coming and going. You're observant because good DJs read the room.

WHY YOU'RE NOT A SUSPECT

At the DJ booth all night, visible to dozens of guests. You didn't leave the outdoor area. Multiple witnesses and your own continuous playlist timestamps confirm your location.

WHAT YOU KNOW (REVEAL THROUGH CONVERSATION)

- You saw **Doug arrive through the service entrance at 9:45 PM** — not midnight like he claims. "He came in the back way, looked around like he didn't want to be seen, then disappeared into the main building. I didn't think much of it until... well, now."
- You saw **someone on the back staircase from Val's suite floor** around 10 PM. Couldn't tell who — it was dark and you only caught a silhouette. "Someone was definitely using that staircase."
- You heard **Gloria speaking rapid Spanish on the phone** around 8 PM. "I don't speak much Spanish, but her tone was serious. Not party talk. She looked stressed."

- The music was loud enough that people near the pool couldn't have heard a scream from the service area. "If someone screamed in the laundry room before 10:30, nobody out here would've heard it."

QUESTIONS YOU CAN ASK

- *To Doug:* "Hey Duke, I saw you come in the back way around 9:45. I thought you were in Pittsburgh?"
- *To Val:* "Someone was on your back staircase around 10. Any idea who?"
- *To Gloria:* "That phone call earlier — you sounded intense. Everything cool?"
