Key Card Swipe Log — Print Spec

Use: Hotel security/keycard system printout. Mentalist holds in evidence folder; reveals in Round 2 to establish the 10:07 PM master-key swipe in the service area. Narrows the suspect pool to the four master-key holders.

Layout notes

- Top: Heathens Hollow Hotel letterhead (logo top-left, address line right-aligned).
 - Subhead: monospaced/system font (“ACCESS CONTROL — DAILY EXPORT”) to read like an exported report.
 - Body in a fixed-width font (Courier / Menlo) so it looks system-generated.
 - Footer: small auto-generated timestamp (“Report generated by NightShift / Rosa Martinez — 11:14 PM”).

22:41:08	Service Corridor – North	MASTER KEY	IV-204	(I.
Volkov, Housekeeping)				

Note (Rosa Martinez, Night Manager): The 22:07 swipe at the Service Area returns an unresolved holder ID. Card was authenticated but the holder field did not write back to the database. Manual reconciliation required. Only four cards in this class are issued: V. Montecito (Owner), I. Volkov (Housekeeping), P. Stevens (Maintenance), R. Martinez (Night Manager).
