terhead header finish: Single-sided, plain**

Override Card Swipe Log — Print Spec

Use: Round 3 evidence. The owner-override card was swiped on Paloma’s floor (Floor 3) at 10:05 PM — pins suspicion on Val, who carries the override. Cleared moments later by the Maintenance Work Order (HLE-04) signed by Val at the same minute on a different floor.

Layout notes

- Same Heathens Hollow letterhead as the key card log.
- Looks like a *separate* report — narrower, single-event, stamped “OWNER-CLASS — RESTRICTED.”
- Use a watermark or red corner stamp (“OWNER-CLASS — RESTRICTED”) so it reads as more sensitive than the master-key log.
- Fixed-width font for the swipe entry.
