Sign Val’s signature on the bottom in blue ballpoint AFTER printing.

Maintenance Work Order — Print Spec

Use: Pepe pulls this from his clipboard in Round 3 to clear Val. The override swipe at 10:05 PM was Val opening Suite 314 *because of a leak*, not to ambush Paloma. Work order is signed by Val at the same minute the override fires. Val cleared, suspicion shifts to Marco, then to Gloria.

Layout notes

- Use a **distinctly different visual style** from the key-card log so it doesn't look like the same report — this is a maintenance dept form, hand-routed.
 - Heathens Hollow letterhead, smaller. Add a sub-stamp "MAINTENANCE DEPT · WORK ORDER."
 - Mostly hand-fillable form fields with checkboxes — looks like Pepe's department actually filled it out.
 - "Signed (owner approval):" line near the bottom — print the line blank and have Shane SIGN "V. Montecito" in blue ballpoint AFTER printing so it looks live.
 - Hand-write the time "22:05" in the same blue pen next to the signature.
