

Round 1 — “The After-Party”

8:00 PM – 10:00 PM

Scene: The after-party in the courtyard. Steel drum music, glowing pool, cocktails. Paloma is supposed to give a toast at 9 PM. She doesn't show. By the end of this round, the body is found and the gates are shut.

- You're working valet but popping into the party. Be charming and eager. Ask about people's cars.
- If Paloma's name comes up, say almost to yourself: "My brother used to say women like Paloma always get what's coming." Then change the subject immediately.
- **Carry your wallet open in your hand twice during the round. Look at the photo inside (it's Diego). Don't show it to anyone — but let Fiona catch you looking. She's photographing.**
- **When Paloma's name comes up the first time, drop your car keys loudly. (First of three drops tonight.)**
- Stay near the exit. You're ready to leave at a moment's notice. That's how you always are.
- When the body is found, look frozen. Then look at Gloria. She gives you a look that says: "Say nothing."
