

Round 1 — “The After-Party”

8:00 PM – 10:00 PM

Scene: The after-party in the courtyard. Steel drum music, glowing pool, cocktails. Paloma is supposed to give a toast at 9 PM. She doesn't show. By the end of this round, the body is found and the gates are shut.

- Arrive talking crypto. Be on your phone. Name-drop. Mention your hardware wallet at least once.
- **You have THREE dead hardware wallets in your blazer pocket. Pull each one out throughout the round and look at it sadly. Voice rising. “Look at this. LOOK at this. It’s a brick.”** Show people the crypto-crash chart on your phone.
- You're close to Val — exchange knowing looks with her. If someone asks, you're “business partners.”
- You're slightly on edge. Check your phone a lot. You're distracted by something you won't talk about.
- When the body is found, you look panicked. More panicked than the situation warrants.
