

Round 3 — “The Investigation”

11:00 PM – Midnight

Scene: Hard evidence. Investigation by conversation. Press the alibis. Look at the body. Open bags. Two visual climaxes anchor the round (the five browns, then Val cleared / Marco’s eyewitness moment) — these are run by characters in the room, not by the host.

- **Share in conversation:**
 - Mostly cleared. When the override card lands on Val, **break**. “She left for ice. Twenty minutes.”
 - Otherwise, react. Stay in the room. Pour yourself a drink.
- **Seek out:** Sunny (you need to know what’s in the indictment — quietly), Val (apologize without apologizing).

Your moment to drive — Zane breaks on Val

When the override-card log surfaces and the room turns on Val, **you crack**. Look at her. Then at the room. Deliver: “*She left for ice. Twenty minutes.*” That’s it. Don’t elaborate. Don’t take it back.

- After the break, pour yourself a drink. Stay in the room. Don’t follow Val.
- When Pepe later produces the maintenance work order and Val is cleared, your relief should be obvious — but you’ve already burned the trust. Live with it.
