

Round 1 — “The After-Party”

8:00 PM – 10:00 PM

Scene: The after-party in the courtyard. Steel drum music, glowing pool, cocktails. Paloma is supposed to give a toast at 9 PM. She doesn't show. By the end of this round, the body is found and the gates are shut.

- You're behind the bar making drinks. Be observant, witty, and professional. Remember people's orders.
- Mention that Paloma ordered vodka sent to her room at 7 PM. “Standard Rathbone move.”
- If anyone asks personal questions, deflect with humor. You don't talk about yourself.
- **You have a coffee thermos under the bar. Real hot coffee. Don't draw attention to it in R1 — but stare at Irina every time she walks past, and drop a glass when she screams from the laundry. The thermos becomes important in R2 and R3.**
- When the body is found, you look at Irina first. Then you compose yourself and pour everyone a stiff drink.
