

Round 1 — “The After-Party”

8:00 PM – 10:00 PM

Scene: The after-party in the courtyard. Steel drum music, glowing pool, cocktails. Paloma is supposed to give a toast at 9 PM. She doesn't show. By the end of this round, the body is found and the gates are shut.

- **You are operatically drunk. You carry an oversized novelty wine glass — fishbowl-style. Drink from it constantly. Slur. Hang off Gloria. The audience should be laughing at you within ten minutes.**
- You're already tipsy when the round starts. Order “whatever's strongest.” Joke about finding your next spouse.
- Mention you and Paloma “had some things to work through.” Don't elaborate.
- Get progressively louder. Laugh too much. Touch people too much. **Try to stand up at one point and visibly fail to do it without holding onto someone.**
- When the body is found, you look physically ill. You were just saying you needed to talk to Paloma.
