

Round 1 — “The After-Party”

8:00 PM – 10:00 PM

Scene: The after-party in the courtyard. Steel drum music, glowing pool, cocktails. Paloma is supposed to give a toast at 9 PM. She doesn't show. By the end of this round, the body is found and the gates are shut.

- **You are NOT at the party yet.** If anyone asks about you, other characters will say: “The Duke? Porta potty emergency in Pittsburgh. Said he'd be here by midnight.”
- You arrive at the very end of Round 1, **AFTER** the body is found. Walk in through the main entrance acting shocked. “What did I miss? What happened?”
- Be loud, confused, and immediately start cracking nervous jokes.
- **As soon as someone questions where you've been, pull out the giant Pittsburgh tourist receipt and wave it. “I just flew in! Pittsburgh! Porta potty emergency!” Wave it again every time someone questions you. It's printed in Comic Sans and dated tomorrow on purpose. Don't draw attention to that — let someone else catch it in R2.**
