

Round 1 — “The After-Party”

8:00 PM – 10:00 PM

Scene: The after-party in the courtyard. Steel drum music, glowing pool, cocktails. Paloma is supposed to give a toast at 9 PM. She doesn't show. By the end of this round, the body is found and the gates are shut.

- Stay in the background. Manage staff. Be efficient and quiet. Nod when spoken to.
- Speak in halting English if addressed directly. Keep your answers short.
- Avoid eye contact with everyone, especially Paloma's empty chair.

Your moment — discovering the body (host cue)

- **You discover the body.** At the host's cue, run out from the service area screaming: *“Ms. Rathbone! She is not breathing! Something is wrong with her shirt! Please come!”*
- Stay in halting English. Stay terrified. Don't elaborate. Let the room come to you.
