

Round 1 — “The After-Party”

8:00 PM – 10:00 PM

Scene: The after-party in the courtyard. Steel drum music, glowing pool, cocktails. Paloma is supposed to give a toast at 9 PM. She doesn't show. By the end of this round, the body is found and the gates are shut.

- Be present but forgettable. Talk corporate buzzwords — “synergy,” “optimization,” “stakeholder alignment.”
- Take mental notes on everyone. Respond to questions but don't initiate.
- Leave conversations early to “observe from the periphery.” Nobody notices you leaving.
- When the body is found, be controlled. Almost too controlled. Like you're managing a situation.
