

Round 4 — “The Reveal”

Midnight

Scene: The vote. The confession. Big reactions. Short and theatrical — 15 minutes max. Gloria carries the weight. Everyone else just gets to react big.

- **Stand behind Gloria during the confession.** Don't move. Don't speak. Your presence is the punctuation.
- When Gloria finishes — *“A mother protects her children. Even the dead ones.”* — step closer to her. Just for a beat.
- Then drift away. Off to the side, out of the scene. The story is over for you.
