

Round 3 — “The Investigation”

11:00 PM – Midnight

Scene: Hard evidence. Investigation by conversation. Press the alibis. Look at the body. Open bags. Two visual climaxes anchor the round (the five browns, then Val cleared / Marco’s eyewitness moment) — these are run by characters in the room, not by the host.

- **Share in conversation:**
 - **The wallet photo lands.** When Zoya names Marco as Gloria’s son, hold up your phone. The pre-loaded close-up of Marco’s open wallet showing Diego’s photo. “I shot this earlier tonight. He was looking at it.”
 - Keep asking pointed questions. “Wait — if the shirt was poisoned at 7 PM but the injection was at 10:30... who did which one?”
- **Seek out:** Zoya (back her up — her reveal and your photo land together), Gloria (you want a reaction shot — get one).

Your moments to drive

- **The wallet photo reveal.** This is your beat. When Zoya drops “Marco is her son,” that’s your cue — phone up, image on screen, line clean: “*I shot this earlier tonight. He was looking at it.*” Hold the phone where the room can see.
- After the photo lands, stay close to Zoya. Back her play. Get a reaction shot of Gloria when she finally has to look up.
