

Round 3 — “The Investigation”

11:00 PM – Midnight

Scene: Hard evidence. Investigation by conversation. Press the alibis. Look at the body. Open bags. Two visual climaxes anchor the round (the five browns, then Val cleared / Marco’s eyewitness moment) — these are run by characters in the room, not by the host.

- **Share in conversation:**
 - **The garment-bag clip:** Play the livestream clip on your phone — Irina speed-walking with the bag at 7 PM. Show it to whoever’s asking about the laundry timeline.
 - Keep the camera rolling. The confession is coming.
- **Seek out:** Irina (you want her break on camera), the host (sync your clip with the autopsy reveal).

Your moments to drive

- **The garment-bag clip plays.** This is your beat. When players ask about the laundry timeline, queue up the livestream clip and hand the phone around. “Seven PM. That’s her. That’s the bag.” Don’t editorialize — let the clip do the work.
- Keep filming straight through the round. You want Irina’s break on camera. You want the five-browns reveal on camera. You want Gloria’s face on camera.
