

Round 1 — “The After-Party”

8:00 PM – 10:00 PM

Scene: The after-party in the courtyard. Steel drum music, glowing pool, cocktails. Paloma is supposed to give a toast at 9 PM. She doesn't show. By the end of this round, the body is found and the gates are shut.

- You're working — not at the party. Crisp uniform, clipboard, two-way radio. You pop in once or twice to check on staff and exchange a quick word with Irina or Sasha.
- All-business demeanor. You're not a guest, you're running the building. If a player chats you up, be polite but brief.
- When the body is found, you arrive immediately. Take command of staff. Radio quietly to corporate. **Do not** offer evidence yet — you'll deliver everything in conversation through Round 2 and Round 3.
