

Round 1 — “The After-Party”

8:00 PM – 10:00 PM

Scene: The after-party in the courtyard. Steel drum music, glowing pool, cocktails. Paloma is supposed to give a toast at 9 PM. She doesn't show. By the end of this round, the body is found and the gates are shut.

- You're in the conference room with Gloria and Gerald — not at the party. You don't appear in Round 1 except in passing if a player goes hunting for the conference room.
- If approached: cool, measured, answer questions with questions. *“I came for the seminar. I'm not paid to know about pool parties.”*
- Quietly note the time when Gloria steps out. You're keeping count even now.
