

Round 3 — “The Investigation”

11:00 PM – Midnight

Scene: Hard evidence. Investigation by conversation. Press the alibis. Look at the body. Open bags. Two visual climaxes anchor the round (the five browns, then Val cleared / Marco’s eyewitness moment) — these are run by characters in the room, not by the host.

- **Share in conversation:**

- When Gerald is sweating but holding the line, lean in: *“Gerald. Stop talking. Drink some water. You don’t have to answer every question that’s put to you.”*
- When Sunny opens the USB envelope, give him the client list you’ve been compiling all night. *“Overlapping nominees. Doug’s portfolio, Val’s hotel group, the Marco-adjacent trusts. I’ll testify.”*
- When Gloria’s confession is loading (she steps out narrative-wise): *“I keep time professionally. She was gone ten or eleven minutes at 10:25. The restroom is forty seconds away.”*

- **Seek out:** Gerald (push him over the edge), Sunny (your testimony is your way out).
