

Round 1 — “The After-Party”

8:00 PM – 10:00 PM

Scene: The after-party in the courtyard. Steel drum music, glowing pool, cocktails. Paloma is supposed to give a toast at 9 PM. She doesn't show. By the end of this round, the body is found and the gates are shut.

- You're at the DJ booth. Keep the music going. Watch who comes and goes.
- **At 9:55 PM (real-time, the host will signal you), pretend to take a phone photo from the booth toward the main structure.** The host has already pre-loaded the actual photo on your phone — you'll show it in Round 2.
- **Mention casually to anyone nearby:** *“I take pictures from the booth when sets are slow.”* This pre-establishes the photo without giving away that it'll matter.
