

Round 2 — “Everyone’s a Suspect”

10:00 PM – 11:00 PM

Scene: Everyone’s inside. The party is over. The host opens, then turns the players loose to talk to each other. Move, pair off, trade alibis and secrets in conversation. **Yes-and rule:** if someone asks you something not on your card, play along; make it up consistent with your character.

- **Share in conversation:**
 - **The propped service door:** *“It’s been wedged since 6 PM. Fire-code violation. Somebody wanted that door open on purpose.”*
 - **Missing chemical supplies:** *“I filed a missing-supplies report two days ago. Cleaning compounds out of the maintenance closet. Rosa never followed up.”*
 - **Marco’s car move:** Corroborate when his keycard at 10:07 comes up. *“I smelled his cigarette behind the shed at ten. He moved the Range Rover.”*
 - **The broken spray bottle:** Hold this in reserve until your moment to drive (below).
- **Hold back the maintenance work order — that’s a Round 3 reveal.**
- **Seek out:** Rosa (hand off your missing-supplies report), Marco (he owes you).

Your moment to drive — about 10 minutes in (Pam cleared)

When the energy lulls, take the floor. Walk to the center of the room. Hold up the broken spray bottle in one hand and the small fragrance bottle in the other. Announce to the room:

- *“Mrs. Worthington broke into my supply closet around 10. Knocked this spray bottle off the shelf — that’s her chemical burn. Grabbed this fragrance bottle on the way out. It’s room scent. We have forty of them.”*
- Wait for Pam’s *“I did?”*
- Then nod to her. **Pam’s cleared.** Let her toast the room with her fishbowl.
