

Round 3 — “The Investigation”

11:00 PM – Midnight

Scene: Hard evidence. Investigation by conversation. Press the alibis. Look at the body. Open bags. Two visual climaxes anchor the round (the five browns, then Val cleared / Marco’s eyewitness moment) — these are run by characters in the room, not by the host.

- **The envelope is now open.** When Sunny reads from the USB drive, you nod. *“She gave it to me two days ago. She knew.”*
- If asked what else Paloma said: *“She said: ‘If anything happens to me, give this to the authorities.’ Past tense. Like she was already gone.”*
- **Seek out:** Sunny (stay near him), Val (one last question: *“Did you know what she was carrying?”*).
