YOUR GAME PACKET — Val Montecito

Dirty Laundry: Murder in the Caymans

READ BEFORE THE PARTY: Sections 1, 2, and 3. **DO NOT READ AHEAD:** Sections 4–7 are your round cards. Wait for the host to call each round before reading.

1. Your Costume

Female | Early 30s Silk or satin slip dress (tropical print or jewel tone). Gold jewelry — layered necklaces, bangles. Strappy heels or embellished sandals. Oversized sunglasses pushed up on head. Champagne glass as permanent accessory. Beachy waves hair. **Vibe:** A luxury resort ad that started ordering people around.

2. Your Props

Champagne glass, oversized sunglasses, override key card (print & label “OWNER OVERRIDE”)

3. Your Character

Female | Early 30s | SUSPECT

Who You Are

You own Heathens Hollow, this boutique hotel. Stunning, charismatic, always holding a champagne glass. Your wealthy father bankrolled the hotel as your “redemption arc” after some messy years in New York. You look like you were born poolside. Underneath the glamour, you’re holding this place together with duct tape and crime.

Your 3 Secrets

1. **You run a trafficking and escort operation through the hotel** to keep it financially afloat. It’s disguised as a legitimate hospitality business. Without it, the hotel goes under.
2. **Paloma was blackmailing you.** She knew about the operation and was demanding hush money to stay quiet. You’d been paying, but she kept raising the price.
3. **Your father threatened to cut you off** if the hotel doesn’t turn a profit. The operation is the only thing keeping you solvent — and keeping your family from finding out how bad things really are.

Your Alibi

You were in your private suite with Zane from about 9:15 PM onward. You say you were “relaxing.” In reality, you and Zane were in crisis mode — his crypto wallet got destroyed and a fortune tied to your operation vanished with it. You didn’t kill Paloma, but you can’t explain what you were actually doing without exposing everything.

Your Connections

- **Paloma** — Had an affair with her. She dumped you when she decided to flip. Then she started blackmailing you.
- **Zane** — Business partner and crypto manager. He’s in love with you. You see him as useful.
- **Marco** — Your employee. Charming. You flirt, but it’s surface-level.
- **Gloria** — You know her as a family friend. You don’t know about the cartel.

Your Props

Champagne glass, oversized sunglasses, hotel owner’s override key card (labeled)

 **STOP — Wait for the host to call “ROUND 1 — 8:00 PM”**

4. Round 1 — “The After-Party”

In-game time: 8:00 PM – 10:00 PM

VAL MONTECITO

- You’re the hostess. Welcome everyone to YOUR hotel. Be glamorous, confident, in control. Champagne in hand.
 - Mention Zane casually — you two have been “working on something” together. Don’t say what.
 - If anyone asks about Paloma, act annoyed she’s late. “Typical Paloma. Always has to make an entrance.” Call her room — no answer.
 - When the body is found, you go pale. Grip your drink tightly. Say nothing.
-

 **STOP — Wait for the host to call “ROUND 2 — 10:00 PM”**

5. Round 2 — “Everyone’s a Suspect”

In-game time: 10:00 PM – 11:00 PM

VAL MONTECITO

- **Your alibi:** “I was in my suite from about 9:15. Zane was with me. We were... relaxing.” Hesitate on “relaxing.”
 - If pressed on when you last saw Paloma, be vague. “This morning? Maybe last night?” You’re lying about something — but maybe not about murder.
 - If the beach photos come up (Fiona or Mentalist brings them), get defensive. “Where are those photos? Delete them.”
 - When the master key / override card comes up, stay quiet. You own the only override card. Don’t volunteer that.
-

 **STOP — Wait for the host to call “ROUND 3 — 11:00 PM”**

6. Round 3 — “The Investigation”

In-game time: 11:00 PM – Midnight

VAL MONTECITO

- The Mentalist reveals your override card was swiped at 10:05 PM on Paloma's floor. You're now the prime suspect.
 - **Deny it initially.** "I didn't go to her floor. Someone else must have used it." But you're the only one with that card.
 - When pressed hard enough: admit you left the suite briefly. "I went to check something in the hotel. It had nothing to do with Paloma." Be vague. You're covering for something — but it's not murder.
 - When Gloria's guilt starts emerging late in the round, you're visibly relieved. Then angry. Then scared — because Sunny's reveal means YOUR operation is exposed too.
-

 **STOP — Wait for the host to call “ROUND 4 — Midnight”**

7. Round 4 — “The Reveal”

In-game time: Midnight

VAL MONTECITO

- Shock. Then anger. Gloria was your family friend. She sat next to you. She comforted Pam. She orchestrated everything.
