Dirty Laundry: Murder in the Caymans

READ BEFORE THE PARTY: Sections 1, 2, and 3. **DO NOT READ AHEAD:** Sections 4–7 are your round cards. Wait for the host to call each round before reading.

1. Your Costume

Female | Mid 40s Bold resort dress or jumpsuit — bright colors, tropical print. Statement jewelry: oversized cocktail ring, chandelier earrings. Wedge heels. Wine glass as permanent accessory. Full makeup, slightly smudged as the night goes on. **Vibe:** Real Housewives at a Caribbean resort. Fabulous and slightly unhinged.

2. Your Props

Wine glass (permanent), chemical vial (small bottle with yellowish powder — flour or cornstarch)

3. Your Character

Female | Mid 40s | SUSPECT

Who You Are

You came to the Caymans to reinvent yourself. Resort wear that's trying a little too hard. Jewelry that announces recent alimony. You joke about finding your next spouse, but underneath the bravado you're running out of money and running out of time. You drink too much and you know it. You're fabulous and slightly unhinged — Real Housewives energy at a Caribbean resort.

Your 3 Secrets

1. **Your first husband died under suspicious circumstances.** A fall at the lake house, four years ago. You were blackout drunk. The investigation was closed by family lawyers, but the bruising didn't match an accident. You're terrified you killed him and don't remember.
2. **You blacked out again tonight.** Around 9:45 PM, everything goes fuzzy. You woke up near the laundry room at 11:30 with a small vial of chemical residue in your hand. You don't know how you got there or what the vial is.
3. **Paloma made a cruel comment about you the night before** — something about your age, your desperation, how pathetic you are. You were furious. You told several people you'd "make her pay." You had a complicated relationship with Paloma — attraction, resentment, obsession, all tangled together.

Your Alibi

You were at the party. You think. You had a lot of drinks. You honestly can't remember much after 9:30 PM. You have a chemical burn on your hand you can't explain. You can barely account for two hours of your night. This looks terrible and you know it.

Your Connections

- **Paloma** — Complicated. Attraction and resentment. She hurt you and you couldn't let it go.
- **Gloria** — Your genuine best friend. She covers for your blackouts and puts her arm around you when you cry.
- **Irina** — You may have seen her near the laundry during your blackout. Or maybe you imagined it.

Your Props

Wine glass (permanent accessory), chemical residue vial (small bottle with yellowish powder)

4. Round 1 — “The After-Party”

In-game time: 8:00 PM – 10:00 PM

PAM WORTHINGTON

- You’re already tipsy when the round starts. Order “whatever’s strongest.” Joke about finding your next spouse.
 - Mention you and Paloma “had some things to work through.” Don’t elaborate.
 - Get progressively louder. Laugh too much. Touch people too much.
 - When the body is found, you look physically ill. You were just saying you needed to talk to Paloma.
-

STOP — Wait for the host to call “ROUND 2 — 10:00 PM”

5. Round 2 — “Everyone’s a Suspect”

In-game time: 10:00 PM – 11:00 PM

PAM WORTHINGTON

- **Your alibi:** “I was... at the party. I think. I had several drinks. I’m honestly fuzzy after 9:30.” You look like you’re about to cry.
 - You have a chemical burn on your hand. You don’t know how you got it. If someone notices: panic.
 - If the “we’re done” text comes up or someone asks about your relationship with Paloma: cry. Won’t answer. It was complicated.
 - Let Gloria comfort you. She’s your best friend and you need her right now.
-

STOP — Wait for the host to call “ROUND 3 — 11:00 PM”

6. Round 3 — “The Investigation”

In-game time: 11:00 PM – Midnight

PAM WORTHINGTON

- You’re mostly a spectator this round. The investigation has moved past you — your blackout makes you look guilty but the evidence is pointing elsewhere.
 - If asked, you still can’t explain the vial or the chemical burn. You’re scared.
 - When Gloria’s guilt emerges, you’re in shock. She’s your best friend.
-

 **STOP — Wait for the host to call “ROUND 4 — Midnight”**

7. Round 4 — “The Reveal”

In-game time: Midnight

PAM WORTHINGTON

- Your best friend is a killer. You defended her. You let her comfort you. You’re gutted.
