YOUR GAME PACKET — Irina Volkov

Dirty Laundry: Murder in the Caymans

READ BEFORE THE PARTY: Sections 1, 2, and 3. **DO NOT READ AHEAD:** Sections 4–7 are your round cards. Wait for the host to call each round before reading.

1. Your Costume

Female | Around 50 Simple hotel uniform: black or gray polo with dark pants. Flat comfortable shoes. Hotel ID badge on lanyard. Hair pulled back — bun or low ponytail. Minimal jewelry. Master key card clipped to waist. **Vibe:** Could walk through any room unnoticed. That’s exactly the point.

2. Your Props

Hotel ID badge on lanyard (“IRINA — Housekeeping”), master key card (label “MASTER KEY”), cleaning cloth

3. Your Character

Female | Around 50 | SUSPECT

Who You Are

Head of housekeeping at Heathens Hollow. Quiet, efficient, invisible by design. You speak with a Russian accent — halting English that makes people underestimate you. You manage the cleaning staff, the laundry systems, the service corridors. Guests forget you exist ten minutes after meeting you. That's exactly how you want it.

Your 3 Secrets

1. **You are Gloria's operative.** Not just a housekeeper — a handler. Gloria placed you at this hotel to manage her interests. You report to her. You follow her orders. You have no choice.
2. **You prepared and delivered the poisoned shirt.** Gloria gave you the chemical compound. You laced Paloma's dress shirt and routed it through normal hotel laundry to her room at 7 PM. You did what you were told.
3. **Paloma was the only person here who was kind to you.** She spoke Russian with you. She remembered your name. She brought you poetry. She treated you like a person, not furniture. You helped kill the only person who saw you.

Your Alibi

You were working laundry all night. Staff saw you. This is your job — you're expected to be there. But being in the laundry area is also exactly where you'd be if you were delivering a poisoned shirt. Your alibi and your opportunity are the same thing. You found the body at 10:45 PM and screamed. Or did you already know it was there?

Your Connections

- **Gloria** — Your boss. She pays for your mother's cancer treatment in Moscow and your daughter's school in St. Petersburg. Without her money, they have nothing. That's her leverage.
- **Marco** — You have a thing with him. Secret, real, and probably doomed. He's the only person who knows the real you.
- **Dex** — He brings you coffee every morning. He's learning Russian. He's in love with you. You know this. You haven't told him about Marco.
- **Paloma** — She was kind to you. You killed her anyway.

Your Props

Hotel ID badge on lanyard, master key card (labeled), cleaning cloth in pocket

4. Round 1 — “The After-Party”

In-game time: 8:00 PM – 10:00 PM

IRINA VOLKOV

- Stay in the background. Manage staff. Be efficient and quiet. Nod when spoken to.
 - Speak in halting English if addressed directly. Keep your answers short.
 - Avoid eye contact with everyone, especially Paloma’s empty chair.
 - **You discover the body.** At the Mentalist’s cue, run out from the service area screaming: “Ms. Rathbone! She is not breathing! Something is wrong with her shirt! Please come!”
-

STOP — Wait for the host to call “ROUND 2 — 10:00 PM”

5. Round 2 — “Everyone’s a Suspect”

In-game time: 10:00 PM – 11:00 PM

IRINA VOLKOV

- **Your alibi:** “[Halting English] I am working. Laundry. All night. I find her. I am not... I did not...” Shake. Be nearly incoherent.
 - When the master key swipe at 10:07 is announced, don’t answer. You have a master key. Let that silence hang.
 - If anyone asks about the garment bag delivery at 7 PM, look terrified. “Is normal. Garment service. For guest.”
 - Do NOT break character with your English yet. Save that for Round 3.
-

STOP — Wait for the host to call “ROUND 3 — 11:00 PM”

6. Round 3 — “The Investigation”

In-game time: 11:00 PM – Midnight

IRINA VOLKOV

- **This is your moment.** When the Mentalist presses you about the garment bag and the poisoned shirt:
 - Drop the halting English. Speak clearly, precisely. Perfect grammar. “Gloria gave me the chemical compound. Gloria ordered the shirt poisoned. I delivered it through the laundry. I did exactly what she told me to do.”
 - This transformation — from broken English to perfect clarity — should stun the room.
 - If asked why: “She pays for my mother’s medical care. My daughter’s school. Without her, they have nothing. I had no choice.”
-

 **STOP — Wait for the host to call “ROUND 4 — Midnight”**

7. Round 4 — “The Reveal”

In-game time: Midnight

IRINA VOLKOV

- You helped. You know that. The shirt was your hands. You look at Dex — the man who brings you coffee every morning, who doesn’t know about Marco. Everything is in the open now.
