3. Your Character

Who You Are: Female | Early 20s | MINOR CHARACTER (Not a suspect)

Instagram and TikTok influencer invited as the conference's "content partner." Phone battery always at 3%. Ring light energy. You've been filming everything — Stories, behind-the-scenes content, the whole vibe. You speak in hashtags and know everyone's name because you tagged them all.

WHY YOU'RE NOT A SUSPECT

You were live-streaming continuously from 8:30 PM to 11:45 PM. Hundreds of viewers confirm your location minute by minute. You never left the main party area. Your phone's geolocation backs it up.

WHAT YOU KNOW (REVEAL THROUGH CONVERSATION)

- You filmed **Pam getting progressively drunker** through the evening. "She went from fun aunt to scary aunt in two hours, bestie." Pam said something about making Paloma pay.
- You noticed **Zane obsessively checking his phone** around 9 PM, growing panicked. "He was literally stress-sweating."
- You saw **Irina carrying a garment bag to Paloma's floor** around 7 PM, moving fast. "She basically ran from my camera."

- You overheard **Gloria on the phone in Spanish** — tone was serious, not social. You speak enough Spanish to know it wasn't party talk.
- Your stream captured **Val's suite back door propped open** around 9:30 PM. "I panned during a hotel architecture shot. That door is usually locked."

QUESTIONS YOU CAN ASK

- *To Pam:* "Pam, girl, are you okay? Last night you said you were going to 'make Paloma pay.' What did you mean?"
- *To Zane:* "Zane, what happened at 9 PM? You looked like you lost everything."
- *To Gloria:* "Gloria, that phone call sounded pretty intense. Everything okay?"
